

FIRST RESPONDER/HAZMAT FIELD TESTING FOR ENVIRONMENTAL SAMPLES

Directions: After authorization to submit an environmental sample to the Mississippi Public Health Laboratory has been received, call the Public Health Laboratory BT coordinator cell phone, 601-826-5483, at least one hour before arrival to the laboratory. Deliver specimen to the side door on the west wing of the laboratory. Someone will have to open the door from the inside to receive the sample. Call the number again so that the BT Laboratory Response Team will know of your arrival. Submit this form with sample(s).
